Hello Everyone:

I hope this letter finds you and your families well and free of the COVID-19 virus. Due to the uncertainty that grips our nation at this time the NALMA Board of Directors has decided to cancel the 2020 **Workshop and QCS Advisory Committee Meeting for Laboratories**. While we hope this outbreak is over by the fall, our number one priority is the safety of everyone as we looked at the options available to us. After much discussion we made the decision to cancel the 2020 session. The 2021 meeting will be held in Bloomington, Minnesota. I have included information for the 2021 session for planning and budgeting considerations.
